New User Registration

Welcome to PM International!

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT. To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

Vérification en deux étapes

Sécurisez votre compte en ajoutant une couche de sécurité supplémentaire!

Lors de votre première connexion, vous avez la possibilité d'activer cette fonction, qui nécessite un mot de passe et un code de vérification. Vous pouvez utiliser la vérification en deux étapes de deux manières différentes

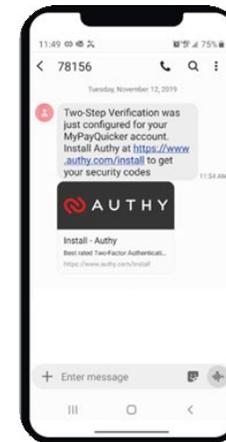

1. via l'application Authy ou 2. par SMS

The screenshot shows the 'Setup Two-Step Verification' screen for a 'pay+' account. At the top left is the 'pay+' logo. In the top right corner, there is a 'Language' dropdown menu. A dark blue header bar contains the text 'Setup Two-Step Verification'. Below this, the main heading reads 'Secure Your Account with Two-Step Verification'. To the left of the text is an illustration of a hand holding a smartphone next to a laptop screen displaying a password field. To the right of the illustration, a paragraph explains: 'Two-Step Verification adds an extra level of security to your account by requiring both your password and a verification code to sign in.' Below this text are two buttons: a light blue 'Skip' button and a dark blue 'Setup Two-Step Verification' button. At the bottom left, there is a checkbox labeled 'Don't show this to me again'.

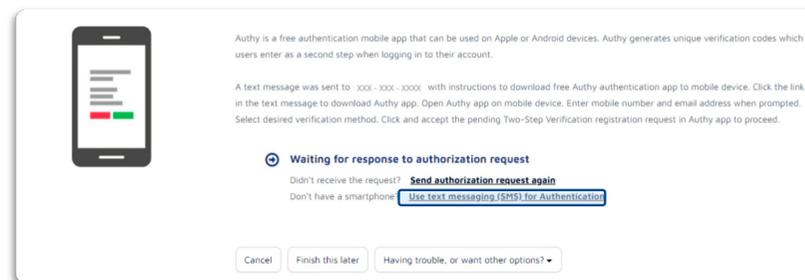

Étapes pour activer la vérification en deux étapes avec l'application Authy

1. Connectez-vous au compte de paie
2. Cliquez sur le bouton **Configurer la vérification en deux étapes**
3. Saisissez le numéro de téléphone mobile et cliquez sur **Continuer**
4. Ouvrir le message texte envoyé au téléphone portable avec le lien pour télécharger l'application d'authentification Authy
5. Cliquez sur le lien, installez l'application Authy pour appareils mobiles, ouvrez l'application Authy sur votre téléphone portable
6. Saisissez le numéro de téléphone mobile et l'adresse électronique dans l'application Authy lorsqu'on vous le demande et cliquez sur **OK**
7. Choisissez parmi les méthodes de notification push, d'appel téléphonique ou de SMS pour recevoir le code de vérification nécessaire pour se connecter au compte de paie
8. Cliquez sur la demande en attente « Enregistrement de vérification en deux étapes » dans l'application Authy
9. Vérifiez l'information et cliquez sur **APPROUVER**
10. Accédez au compte de paie et cliquez sur Continuer vers mon compte
11. Vous pouvez aussi configurer la vérification en deux étapes sur votre **ordinateur de bureau** ou votre **ordinateur portable** en accédant à la page de connexion de votre compte à pmi.mypayquicker.com

Étapes pour activer la vérification en deux étapes par SMS

1. Se connecter au compte de paiement
2. Cliquer sur **Set up the Two-step verification**
3. Saisir le numéro de téléphone et cliquer sur **Continue**
4. Cliquer sur **Use text messaging (SMS) for authentication** ou **Use SMS for authentication** dans le menu déroulant de résolution des problèmes
5. Lire le SMS envoyé sur le téléphone portable avec le code de sécurité
6. Entrer le code de sécurité dans le Champ "Votre code de sécurité".
7. Cliquer sur le bouton **Verify**. La vérification en deux étapes est terminée !
8. Accéder au compte de paiement et cliquez sur **Continue to my account**.
